

Coronavirus / COVID-19

Overview

The viewpoints, risk assessments and concerns of stakeholders in every organization are in flux as the evolving coronavirus situation morphs on a daily or even hourly basis. Trying to keep ahead of this situation has become complicated.

In addition to personal consultations, Bond is providing guidance via webinars, video Q&A, information memos and blog posts to employers, long term care facilities, institutions of higher learning and schools all of which will be archived via this web page.
