### Profile

**Charles has years of broad-based and expansive experience in managing and resolving environmental issues for his clients.**

His rich knowledge of environmental laws and regulations provides a legal advantage to his clients. He has the know-how to establish long-term relationships and the resources to tackle problems and develop durable solutions to meet his client's diverse legal needs. He routinely and successfully represents clients in:

- environmental litigation
- environmental compliance
- land use planning/environmental review
- municipal law

Charles counsels and represents clients with zoning and environmental review procedures under the State Environmental Quality Review Act and National Environmental Policy Act and has extensive experience in general municipal law. He currently acts as attorney of record for the Village of Williamsville and serves as counsel to several other local towns and municipalities.
