Profile

Christa is the office manager of the Buffalo office with 14 years of experience in the legal field. She is responsible for the coordination and supervision of all staff administrative activities, human resource management, office budgeting and organization of all office functions. With her enthusiasm and positive attitude, Christa helps create a supportive environment that encourages others to work hard and succeed.

Prior to joining Bond, she spent six years as the office administrator for New York State Attorney General's Office in Buffalo.

Christa also contributes to the community by serving as operations manager and a board member for TEDxYouth@Buffalo, and she is the founder of the Buffalo chapter of Dress for Success, a nonprofit organization that empowers women to achieve economic independence.
