Profile

As Director of Information Governance and Management, Dani is responsible for the development and implementation of an information governance program at the firm. This includes the development of the strategic framework associated with the management of information in accordance with the firm's ethical and legal obligations.

Dani has over 30 years of information management experience in the legal industry and is IGP (ARMA) certified. For much of the past decade, Dani has served as a volunteer with the International Legal Technology Association (ILTA), leading teams responsible for the development of education content for the annual ILTACON conference in the areas of Security, Information Governance, and many other technology topics for the legal industry.
