Profile

Jeffrey is a business law attorney who represents a wide range of small to mid-size businesses across New York State, including Metropolitan New York City.

He focuses his practice on advising closely-held businesses and health care practices on multiple levels and aspects of their business operations and transactional matters, including succession planning, acquisitions, mergers and sales, secured financings, non-qualified deferred compensation matters, equity-related employee benefit matters, shareholder/principal relations, contract negotiations and state and federal tax planning.

Jeffrey has handled numerous private debt and equity placements, including new market tax credit financings and venture capital investments, and made securities filings for Regulation D offerings and State Blue Sky offerings. He also provides legal services to tax-exempt organizations and currently serves as general counsel to a family foundation.
