Profile

Jennifer counsel her clients in cybersecurity and data privacy matters as well as general corporate, business and other legal issues. She also helps clients develop cybersecurity programs and data privacy policies.

Jennifer holds certification as a Certified Information Privacy Professional/United States (CIPP/US), by the International Association of Privacy Professionals (IAPP), the largest, global information privacy community for professionals who have developed their careers managing data privacy. The CIPP/US certification is the global gold standard for privacy professionals and is a key industry benchmark among top employers.

In her business practice, Jennifer also advises both individuals and business entities on a variety of matters, including contract negotiations, corporate governance and transactional matters (including stock transactions and asset transactions). Jennifer also assists clients with commercial real estate transactions, including leases, purchases and sales.
