Profile

Joe leverages over 25 years of strategic IT management experience to form and deliver a technology strategy that aligns IT with the firm's business needs and objectives. Joe oversees all aspects of Bond's IT department including infrastructure, security, eDiscovery, litigation support, applications, development, user support, training, and project management.

Joe joined Bond in 2018. Prior to Bond, he lead large international IT teams and strategic project implementations for Fredrikson & Byron in Minneapolis, Kirkland & Ellis in Chicago, and formed IT strategy for many years at Quarles & Brady in Milwaukee.

Education

- Marquette University (B.A., *cum laude*, 1992)
