Profile

Kulsoom provides guidance and practical solutions to her clients on complex intellectual property issues, including patent, trademark, and trade secret litigation; post-grant review proceedings; and patent prosecution. She has experience with a wide range of technologies, including pharmaceuticals, telecommunications, optical devices, semiconductor circuits, and automotive components.

Kulsoom represents clients in all phases of patent prosecution. Kulsoom's experience also includes patent litigation and post-grant review proceedings in the electrical, mechanical, chemical, and pharmaceutical sciences, with an emphasis on inter partes review proceedings and Hatch Waxman Paragraph IV disputes.
