### Profile

**Meghan is a paralegal in the firm's intellectual property practice.**

Meghan provides support in all areas of patent portfolio management. Her experience includes the preparation, filing and prosecution of U.S. patent application filings. Meghan serves as a point of contact for clients and foreign associates. She began her legal career as a trust and estates paralegal and transitioned to patent work, initially as a patent prosecution assistant.

Prior to entering the legal industry, Meghan worked as a risk analyst and business continuity manager in the corporate banking industry. As a result of these roles, she gained insight into the legal industry working with in-house counsel on various contract negotiations. This eventually sparked her career transition to paralegal work.
