### Profile

**Patricia is the manager of the firm's e-discovery and practice support area. She proactively manages the e-discovery team and the eData process regarding a wide range of litigation and other matters.**

Patricia interacts with the firm's attorneys, staff and firm clients as well as third-party vendors to provide the best available management of the matter. Her responsibilities include managing the collection, preservation, document review and production of matters involving electronic data.

### Education

- Columbia College (B.S.)
