Profile

Sonia has more than 15 years of experience handling all aspects of estate administration including preparation of initial court filings, detailed accounting, fiduciary income tax returns, estate tax returns and estate closing documents. She has experience working on small estates to multi-million dollar estates as well as additional experience with handling Florida estate administrations.

Sonia served as adjunct instructor at Monroe Community College for three years, where she co-taught Estate Planning and Estate Administration.

Sonia's nearly ten years of experience as a commercial credit analyst for an international financial institution has proven invaluable to her work as a trust and estate paralegal. She was an assistant vice president in banking prior to entering the legal profession.
