4

**Isolation** = separating those with confirmed infections from other people.

*Goal:* allow individual to recover without infecting anyone else.

**Quarantine** = restricting the movement of people who *might* have been exposed to others with the infection but who aren't yet sick.

*Goal:* limit spread of virus by removing individual at risk of developing symptoms.

5

**Social distancing** = voluntary / encouraged set of tactics designed to keep people from congregating in close proximity to slow the spread of a virus.

*Goal:* limit spread of virus

**New Rochelle** =  
**“CONTAINMENT ZONE”**

- *Social distancing* by closing “facilities”
- Mitigation by National guard assistance including “cleaning” and providing food
- *Not* forced quarantine or arrest
