REAL ESTATE DEVELOPMENT
AND CONSTRUCTION PRACTICE

Supercharging Our Clients' Momentum with Experience, Energy and Quality Networks

As New York State gains momentum and owners, developers and municipalities refocus on transforming their real estate, Bond, Schoeneck & King is involved—managing transactions and litigation, and generating ideas, navigating institutional complexities, counseling compliance, and helping push projects to completion. We're matchmakers too. Clients and business contacts count on us to connect them with other key players and project partners—innovators, investors, lenders, industry professionals, deal makers—to create outstanding projects of function and purpose.

Why Choose Bond?

Experience and sophisticated knowledge. With our depth of experience, Bond clients benefit from not only our legal skills but also our business insights and ability to craft nuanced solutions.

Expansive resources—and an emphasis on value. Our experience allows us to anticipate challenges and to recommend efficient, high-impact, innovative solutions—for core real estate and construction matters, as well as related concerns such as site acquisition, enhancements, zoning, permitting, tax strategizing and financing.

Outstanding networks. Clients enjoy not only right-sized legal services and savvy business perspectives but also access to our networks. We actively support our clients' objectives—often introducing a seller to a buyer, helping a contact obtain financing or assisting with a strategic hire.
